

Take your TCU[®] on the Road!

Transport Your Thermal Cautery Equipment in a Rugged Carrying Case

Geiger's TCU Carrying Case is specially designed for your Cautery Unit. Made from super-tough Cordura[®] nylon material, it is cushioned to protect your cautery gear from impact. There is no better way to protect your TCU when you are on the go.

- Holds a TCU, handpiece and tips
- Small, stores easily
- Ideal for transporting your TCU during off-site visits
- Thick padding protects the TCU
- Made with tough, lasting nylon materials
- Comfortable, padded handle
- Convenient extra pocket for tips and loose items
- Affordably priced

Order by contacting your Geiger Medical Technologies Distributor or Geiger Medical Technologies.
